

# ICBICC 2024

2024 International Conference on Big data, IoT, and  
Cloud Computing

December 29, 2024- January 1, 2025 | Xishuangbanna, China

## Overview

The 2024 2nd International Conference on Big Data, IoT, and Cloud Computing (ICBICC 2024) will be held in the picturesque city of Xishuangbanna, China. Scheduled from December 30, 2024 to January 1, 2025, this remarkable gathering is organized by Yunnan Normal University, co-organized by Sun Yat-sen University, College of Computer Science and Software Engineering, SZU and National Engineering laboratory for Big Data System Computing Technology.

ICBICC 2024 extends a warm welcome to notable speakers, oral and poster presenters, listeners and industry delegates to join this annual gathering.

Topics of interest include, but are not limited to:

- Smart Chip
- Intelligent Terminal
- IoT and 5G Networks
- Microwave Communication
- IoT Protocols and Standards
- Radio Frequency Identification
- Cloud storage and databases
- Big Data Privacy and Security
- Cloud Services and Applications
- IoT Security and Privacy Protection
- Cloud Migration and Visualization
- Cloud Programming Models and Tools
- Machine Learning Based on Big Data
- Big Data Algorithms, Models, Applications
- Big Data Search, Mining and Visualization
- Big Data Applications and System Benchmarks
- IoT Applications, Services and Implementations
- IoT Intelligent Perception Recognition Technology

Full Paper Submission: December 10, 2024

Online Submission: Click here

## Registration

Student  
490 USD

Nonmember  
550 USD

# CALL FOR PAPERS

## Previous Speakers

**Chun-Yi Su**

Concordia University, Canada

Title: Modeling and Control of Soft Elastomers in Soft Robots

**Subhas Mukhopadhyay**

Macquarie University, Australia

Title: IoT Enabled Sensors for Smart City and Environmental Monitoring

**Chenguang (Charlie) Yang**

University of the West of England, United Kingdom

Title: Robot Skill Learning and Human-like Control

## Conference Chairs

**Xiaolin Jia**

Southwest University of Science And Technology, China

**Hui Zhang**

Southwest University of Science And Technology, China

## Program Chairs

**Hua Fan**

University of Electronic Science and  
Technology of China

**Changyong Xie**

Southwest University of Science and  
Technology, China

**Ramayah Thurasamy**

Universiti Sains Malaysia  
Malaysia

**Massimo Marchiori**

University of Padua, Italy

**Qingming Zhang**

Southwest University of Science and  
Technology, China

## Program Co-Chairs

**Yihong Chen**

China West Normal University,  
China

**Haocun Wu**

South China University of Technology,  
China

**Gang He**

Southwest University of Science  
and Technology, China

## Program Committee

Qianyin Xiang—Southwest Jiaotong University, China

Juntao Fei—Hohai University, China

Hong Huang—Sichuan University of Science & Engineering, China

Nikhil Bhargava—Reliance Jio, India

Vinod Kumar Verma—Sant Longowal Institute of Engineering & Technology, India

Xiaowu Li—Kunming University of Science and Technology, China

Souvik Pal—Sister Nivedita University, India

Gyu Myoung Lee—Liverpool John Moores University, UK

## Publication

All accepted and presented papers will be included in the digital conference proceedings of ICBICC 2024 and published by EAI/Springer Innovations in Communication and Computing, which will send to be reviewed and indexed by major citation databases such as Ei Compendex, Scopus, SCImago, etc.
